About

Welcome to the heart of the Valley Loire among its fabulous castles which illustrate aesthetics and know-how French artisans.

A family story

Over the past three decades, **Anne and Laurent Gohé** established their business, Fingers Styles, and brought their own to life brand **Authentiques Paris**. Through these, they were able to quickly establish themselves in as a manufacturer and supplier essential **accessories and furniture** dedicated to the layout of points of sale for the **biggest Luxury Brands** as well only to the most sophisticated individuals, requiring the quality of "Made In France".

This meticulous and passionate couple, accompanied by their team of masters artisans, specializes in the creation of **quality tailor-made hangers exceptional**. Indeed, beyond the proposal for a collection of wardrobe accessories with a unique design, and the possibility to tailor-make all requests particular, they have developed **forms of fully customizable hangers**.

Drawing on their many years of expertise, they transform everyday accessories into true works of art, thus merging functionality and aesthetics at the heart of each interior.

Authentiques Paris stands out for its diversity **designs** and the use of **noble materials** such as leather, wood and fabrics signed by renowned designers.

This distinction also extends to the **flexibility offered to customers**, who can order **limited quantities**, adding thus a touch of exclusivity to each creation.

With Authentiques Paris, none of your crazy ideas cannot be feasible.

The HANGER

Core business

The very essence of excellence is revealed in design hangers **signed Authentiques Paris**, where design is expressed through **curves that are both soft and ergonomic**. Fruit of accomplished expertise, these creations reveal shapes optimal, offering impeccable protection and support for men's wardrobes and a delicate adaptation to those of the ladies.

This excellence is also embodied in the meticulous choice of **first-rate materials and in the meticulous art of leather sheathing made by hand**. These details, guarantees of quality exceptional, help to elevate each hanger to the rank of functional work of art.

Add to this the variety of customization options offered, making it possible to raise this accessory to the status a decorative element in its own right. A homage to the wardrobe elegant "French style".

Les MATIÈRES

| Cuir

GRAINED LEATHER

The leathers in this collection for your leather hangers come from cattle from Europe, corrected flower, pigmented, grained, supple, mineral tanning. The Grained leather will provide relief and nuance to your leather hanger. Outside of its aesthetic advantages, it is particularly resistant to scratches, blows from rings or other snags that you could inadvertently make him suffer.

SMOOTH LEATHER

The collection of these leathers for creating your leather hangers comes from European cattle, full grain, aniline finish, smooth, natural grain, tanning mineral. Opt for smooth leather to benefit from a natural and pure for your elegant leather hanger. We offer you a wide choice of colors that will allow you to match your hangers to your decor interior.

NUBUCK LEATHER

The nubuck leather collection for your leather hangers comes from European bulls, grained, mineral tanning. In soft or flashy colors, nubuck leather will be ideal for your lingerie and clothes with thin straps. In Indeed, you will appreciate the anti-slip aspect as much as the skin feel of peach of your leather hanger.
